I think Japan was difficult to attack because...

Look at your map of Japan. Do you think Japan is easy or difficult to attack? Why or why not? Don't forget to justify (explain) your answer!

I don't think Japan is easy to attack because it's an island and people could see them coming

Look at your map of Japan. Do you think Japan is easy or difficult to attack? Why or why not? Don't forget to justify (explain) your answer!

I don't think Japan is easy to attack because it's surrounded by water since it's an island. And due to it being surrounded by water it's harder to get to it because you don't know what is hiding under water nor do you know if a storm can hit.

Look at your map of Japan. Do you think Japan is easy or difficult to attack? Why or why not? Don't forget to justify (explain) your answer!

I don't think Japan was difficult to attack because it had water barriers, so they would have to go through boats to get there.

Look at your map of Japan. Do you think Japan is easy or difficult to attack? Why or why not? Don't forget to justify (explain) your answer!

I think Japan was easy to attack because it is small and people can just go and attack because there's not as much as people like in other states countries, like China, and India.

Look at your map of Japan. Do you think Japan is easy or difficult to attack? Why or why not? Don't forget to justify (explain) your answer!

I think Japan was easy to attack because... Est facil  
I think Japan was difficult to attack because... pero es muy para  
pequeno pero es un país  
no se mere  
carro per. la paz
