Reflect on where you are from and how your home has created the person you are now. Think about the period of time you have lived in. Reflect on the art and literature that inspires you and what has been created in your lifetime. Why did the artist create their painting? What influenced the author to write down their thoughts? Reflect how all the issues and successes in the world since 2006 has shaped your story. **Now you are going to create a Found Self Portrait.**

**FINAL FOUND SELF PORTRAIT MUST INCLUDE (yes this is a Benchmark Grade):**

- The poem you "found" should be glued in the center.
- 3 elements from your bullet interview with yourself (you may mix and match how you like):
- 1 additional piece of writing that reflects you (can be written or drawn)
- Influence from the Renaissance person of your choice
- Influence from the Renaissance period as a whole: spatial distribution, realism and the human form, Greek or Roman mythology etc.)

We are going to spend a lot of time on this. **The final product should represent you and should look professional and cohesive; NO COLLAGES.** Anything with stick figures or pencil scratches frantically drawn just before class will not be acceptable.

**Yes you may trace, but only in parts.** You may not copy another sentient being's complete work onto your paper.
